WomenSafe provides a variety of services that strive to meet the needs of all people who experience stalking, dating, domestic or sexual violence. We define advocacy as the active support of an individual's goals by providing information and options to assist the person in making their own choices. We provide emotional support, information & referral, support groups and advocacy in the following areas through a free and confidential 24-hour hotline and in-person meetings:

- Civil & Criminal Legal
- Medical & Hospital
- Transitional & General Housing
- Systems Change

WomenSafe also provides outreach, community education, professional training, supervised visitation and monitored exchange services.
